To whom it may concern,

I would highly recommend Stroudlink for analyzing your payroll processing, human resources and commercial insurance needs. The people at Stoudlink have been instrumental in providing our company with a firm that is exactly what we need and at a cost that fits into our budget.

Stoudlink is very thorough in handling our account. After being very active with the initial setup with our new PEO company they stay in touch with us throughout the year. Stroudlink is constantly making sure we are satisfied with our provider and asking if there are any issues they can help us with.

If you would like to discuss Stroudlink further do not hesitate to contact me.

Sincerely,
