

**VETHAN LAW FIRM P.C.**  
HOUSTON ♦ SAN ANTONIO

March 4, 2015

Bradley Stroud and his team at StroudLink has really helped the Vethan Law Firm, P.C. capture more of its most valuable resource - TIME. Providing a viable PEO option for the Firm, that matches how we do business across two cities, has been a tremendous resource for us. Implementing the PEO strategy proposed by Bradley has reduced the time our administrative personnel spend on HR and payroll matters, and allowed us to allocate more time and effort to the Accounts Receivable ledger rather than losing time to non-revenue generating tasks. I am pleased to recommend Bradley and his team at StroudLink to other Texas businesses.
